Website title: Liliongan Echo Tourism Park

Website URL: https://hertzian-points.000webhostapp.com/

Github repo URL: https://github.com/KOHAKU11/IntroToComputing-Challenges.git

Description:

   My website is about an echo tourism park and resort in my home town at liliongan carmen Cotabato. It has a 5 pages Home, Discover, Services, About us, and Contact us. My website is a scroll type, it's just a simple website no cool about it because I'm just a noob at programming.
